

Qualified Charitable Distribution

A Qualified Charitable Distribution provides you with an excellent opportunity to make a gift during your lifetime from an asset that would be subject to multiple levels of taxation if it remained in your taxable estate.

TO QUALIFY

- You must be age 70½ or older at the time of gift.
- Transfers must be made directly from a traditional IRA account by your IRA administrator to Pomona Valley Hospital Medical Center Foundation
- Funds that are withdrawn by you and then contributed do NOT qualify. Gifts from 401k, 403b, SEP and other plans do not qualify.
- Gifts must be outright. Distributions to donor-advised funds or life-income arrangements such as charitable remainder trusts and charitable gift annuities do not qualify.

BENEFITS — QUALIFIED CHARITABLE DISTRIBUTIONS

- Can total up to \$100,000.
- Are not included in your gross income for federal income tax purposes on your IRS Form 1040 (no charitable deduction is available, however).
- Count towards your required minimum distribution for the year from your IRA*.

*The CARES Act of 2020 waived the required minimum distribution for this year, but Qualified Charitable Distributions are still a great gift!

EXAMPLE

- Jane wants to make a contribution to Pomona Valley Hospital Medical Center Foundation
- She is 73* and is required to take a minimum distribution of \$20,000 from her IRA but does not need the income. She can authorize the administrator of her IRA to transfer \$20,000 to Pomona Valley Hospital Medical Center Foundation
- The \$20,000 distributed to Pomona Valley Hospital Medical Center Foundation will not be subject to federal tax and will be counted toward her annual minimum required distribution.

As you plan your required minimum distributions for this year, if you do not need the money the government is requiring you to take, consider using it for a charitable gift using the Qualified Charitable Distribution.

See below for sample letters you can send to your plan provider to initiate a rollover. Make sure that you contact us when you direct the rollover so we can look for the check from your IRA administrator.

**Note that under the Secure Act 2.0, the age at which you are required to make minimum distributions (RMD) was raised to age 73 for individuals born between 1951 and 1959, and age 75 for those born in 1960 or later.*
